

Do you have questions about the immigration court process?

The Legal Orientation Program for Custodians (LOPC) of Unaccompanied Alien Children is a program that offers free legal information about:

- 1) the immigration court process;
- 2) how to obtain social services and free legal counsel; and
- 3) how to protect your child from mistreatment, exploitation, and trafficking.

You can ask your case worker for further information on the LOPC or call one of the organizations below to attend an orientation closest to where you live.
